

Quality in every product.

We are providing best
solution for your
agriculture needs.

About Us

- R solutions, India's emerging electrical solutions company gives you the wide spectrum of electrical product for agriculture, industrial & residential sectors.
- We are engaged in manufacturing and supplying a broad range of submersible relay, submersible switch, submersible control panel starter etc.
- While manufacturing goods, we utilize genuine and branded components that enhance the operational life and functionality of our goods.
- To be honest about what we offer and what we supply is significance virtue of our organization.
- Quality is the focal point of all business strategies prepared at R solutions.
- Our complete product range is known for their accurate designs & hassle-free performance thus, perfectly defines quality.
- Furthermore, our on time delivery, ethical business practise & prompt response to the queries of clients is help us in establishing a wide network of clients.

Mission

- To increase productivity of farmers thorough our quality products.

Vision

- Technology is a medium to improve efficiency of farmers.

Values

- Integrity & ethics are roots of our business and we are dedicated towards it.

Submersible Relay

Model : RDP

Input 415 V	Output Delta or Star - Delta Relay	Application Pump Up to 100HP
-----------------------	---	---

Feature Highlights

- Overload protection
- Locked rotor protection
- SPP protection
- Phase reversal protection

Submersible Relay

Model : RAP

Input 415 V	Output Delta or Star - Delta Relay	Application Pump Up to 100HP
-----------------------	---	---

Feature Highlights

- Overload protection
- Phase reversal protection
- SPP protection
- Phase Unbalance protection

Submersible Relay Meter

Model : RMP Meter

Input 415 V	Output Delta or Star - Delta Relay	Application Pump Up to 100HP
-----------------------	---	---

Feature Highlights

- Overload protection
- Locked rotor protection
- SPP protection
- Phase reversal protection

Water Level Controller

Model : RLL

Input
230 V

Output
30A ON-OFF
Relay

Application
Automatic
Tank Refilling

Feature Highlights

- In built fault finding capability
- Dry run Protection
- Tank overflow protection
- Save water

DOL Panel

Model : RRP-T_D

Input
415 V

Output
Delta Relay

Application
Pump Up to
20HP

Feature Highlights

- Overload protection
- Dry run protection
- SPP protection
- Phase reversal protection

Start - Delta Panel

Model : RRP-T_D

Input
415 V

Output
Star-Delta relay

Application
Pump Up to
20HP

Feature Highlights

- Overload protection
- Dry run protection
- SPP protection
- Phase reversal protection

DOL Starter

Model : RUP-T_D

Input
415 V

Output
Delta relay

Application
Pump Up to
10HP

Feature Highlights

- Overload protection
- Dry run protection
- SPP protection
- Phase reversal protection

DOL Starter

Model : RUP-T_A

Input
415 V

Output
Delta Relay

Application
Pump Up to
10HP

Feature Highlights

- Overload protection
- Thermal relay
- ABS body
- Magnetic door lock

Single Phase Starter

Model : RUP-S_SC

Input
230 V

Output
R, Y, B
(To motor)

Application
1-phase Openwell
pump all HP

Feature Highlights

- Tank overflow protection
- Dry run protection
- Overload protection
- Sensor based auto on-off motor

Submersible Switch

Model : Mini_RSP

Input
415 V

Output
Delta Relay

Application
Automatic on-off
starter

Feature Highlights

- Automatic on starter
- SPP Protection
- Phase reversal Protection
- Low voltage protection

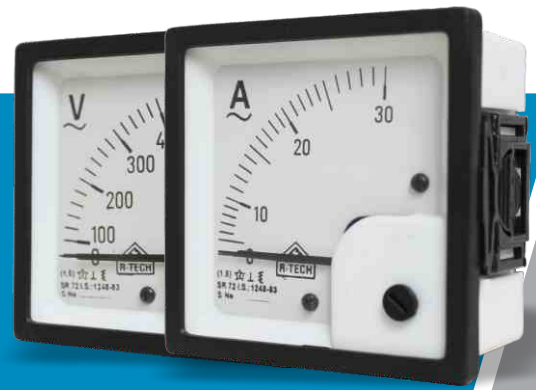

Volt & Ampere Meter

Model : RVM & RAM

Shape
Square

Capacity
500V
30A

Application
Measure Voltage
Measure Current

Feature Highlights

- Bakelite base
- ABS body

Indicator

Model : RLI

Color
R, Y, G, B

Input
415V

Application
Indication

Feature Highlights

- LED light
- Plastic body

Float Sensor

Model : RFS

Length
3 mtr

Capacity
230V, 5A

Application
Sense
water level

Feature Highlights

- Automatic on-off motor
- Corrosion free
- Used in hard water
- Long life

SS Sensor

Model : RSS

Length
Customized

Material
S.S.

Application
Sense
water level

Feature Highlights

- Automatic on-off motor
- Most admired sensor

Carbon Sensor

Model : RCS

Length
Customized

Material
Carbon

Application
Sense
water level

Feature Highlights

- Automatic on-off motor
- Used in hard water

"Agriculture

**is the most healthful,
most useful and most noble
employment of a man."**
